

Autel Introduces Most Affordable Scan Tool

MS906 DIAGNOSTIC SCAN TABLET

FASTER PROCESSOR / SUPERIOR SOFTWARE / LARGER MEMORY / BIGGER BATTERY

The newest tool in the MaxiSYS line is built for the price conscious technician that wants the most tool performance for their investment. Outperforming all predecessor eight inch tablet scan tools, the **MS906** features a large internal memory, a tethered connection and is equipped with faster Android based software to perform advanced diagnostics.
